

Appendix. Proposed admission limits to the AGH Doctoral School for the 2025/2026 academic year by faculty

Faculty	Field of	Discipline	Subsidy-funded	Other funding sources
IMiP	engineering and technology	materials engineering	5	1
	engineering and technology	mechanical engineering	1	0
	engineering and technology	biomedical engineering	1	0
	engineering and technology	environmental engineering, mining, and energy	2	0
	engineering and technology	information and communication technology	3	0
EAIIIB	engineering and technology	biomedical engineering	5	0
	engineering and technology	automation, electronics, electrical engineering and space technologies	12	0
	engineering and technology	information and communication technology and computer and information science	10	0
GGiOŚ	natural sciences	earth and related environmental sciences	7	2
	engineering and technology	environmental engineering, mining, and energy	2	1
ILiGZ	engineering and technology	civil engineering, geodesy and transport	2	1
	engineering and technology	environmental engineering, mining, and energy	5	3
EiP	engineering and technology	environmental engineering, mining, and energy	5	0
	engineering and technology	materials engineering	3	1
	engineering and technology	chemical engineering	4	1
GGiIŚ	engineering and technology	environmental engineering, mining, and energy	5	1
	engineering and technology	civil engineering, geodesy and transport	5	1
I	engineering and technology	information and communication technology	20	3
	natural sciences	computer and information science	10	2
IEiT	engineering and technology	information and communication technology	15	5
	engineering and technology	automation, electronics, electrical engineering and space technologies	15	5
IMiC	engineering and technology	chemical engineering	5	1
	engineering and technology	biomedical engineering	2	1
	engineering and technology	materials engineering	8	3
	natural sciences	chemical sciences	5	1
IMiR	engineering and technology	automation, electronics, electrical engineering and space technologies	5	1
	engineering and technology	biomedical engineering	1	1
	engineering and technology	mechanical engineering	20	3
MN	engineering and technology	materials engineering	5	1
	engineering and technology	chemical engineering	1	0
O	engineering and technology	materials engineering	8	4
	natural sciences	Chemical sciences	4	0
WNiG	engineering and technology	environmental engineering, mining, and energy	7	3
Z	social sciences	management and quality studies	9	0
	social sciences	economics and finance	3	0
H	social sciences	sociology	2	0
	humanities	culture and religion studies	2	0
ACMiN	natural sciences	physical sciences	1	0
	natural sciences	chemical sciences	2	0
	engineering and technology	materials engineering	3	0
FiIS	natural sciences	physical sciences	13	1
	engineering and technology	information and communication technology	1	0
TK	engineering and technology	mechanical engineering	3	0
	engineering and technology	automation, electronics, electrical engineering and space technologies	4	0
	engineering and technology	biomedical engineering	2	0
	engineering and technology	chemical engineering	1	0
	engineering and technology	information and communication technology	1	0
	natural sciences	physical sciences	1	0
MS	natural sciences	mathematics	4	0
