

Appendix. Proposed admission limits to the AGH Doctoral School for the 2026/2027 academic year by faculty

Faculty of	Field of	Discipline	Subsidy-funded	Other funding sources
Metals Engineering and Industrial Computer Science	engineering and technology	materials engineering	10	2
	engineering and technology	mechanical engineering	1	0
	engineering and technology	biomedical engineering	1	0
	engineering and technology	environmental engineering, mining, and energy	3	1
	engineering and technology	information and communication technology	0	0
Electrical Engineering, Automatics, Computer Science, and Biomedical Engineering	engineering and technology	biomedical engineering	5	0
	engineering and technology	automation, electronics, electrical engineering and space technologies	12	0
	engineering and technology	information and communication technology	10	0
	natural sciences	computer and information science	0	2
	natural sciences	earth and related environmental sciences	8	3
Geology, Geophysics, and Environmental Protection	engineering and technology	biomedical engineering	1	0
	engineering and technology	environmental engineering, mining, and energy	0	2
	engineering and technology	environmental engineering, mining, and energy	0	2
Civil Engineering and Resource Management	engineering and technology	civil engineering, geodesy and transport	1	0
	engineering and technology	environmental engineering, mining, and energy	6	1
	social sciences	management and quality studies	0	1
Energy and Fuels	engineering and technology	environmental engineering, mining, and energy	6	2
	engineering and technology	materials engineering	3	0
	engineering and technology	chemical engineering	5	0
Geo-Data Science, Geodesy, and Environmental Engineering	engineering and technology	environmental engineering, mining, and energy	3	0
	engineering and technology	civil engineering, geodesy and transport	7	1
	engineering and technology	information and communication technology	20	3
Computer Science	social sciences	sociology	1	0
	natural sciences	computer and information science	8	4
	engineering and technology	information and communication technology	32	2
Computer Science, Electronics, and Telecommunications	engineering and technology	automation, electronics, electrical engineering and space technologies	20	2
